

TH CENTRAL INDIANA ECONOMIC DEVELOPMENT

WWW.SOUTHCENTRALINDIANA.COM

LOCATION

By Interstate – The South Central Indiana Economic Development Region is located along the axis of Interstate 65 (north and south) and Interstates 64 and 74 (east and west) in South Central Indiana.

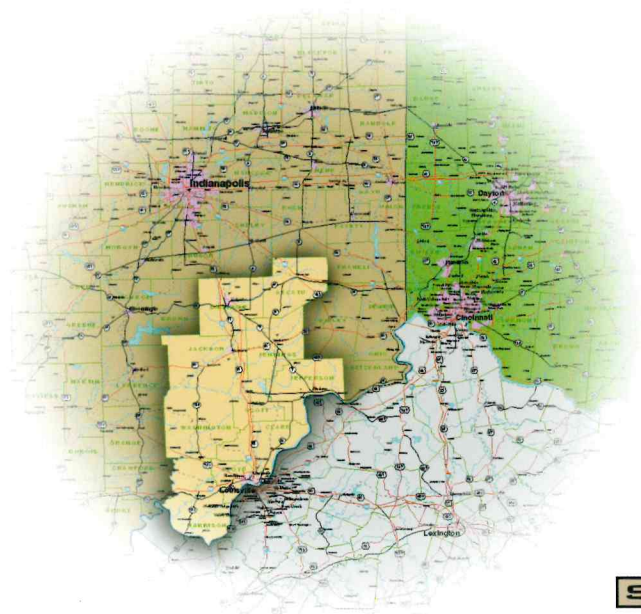

Nestled between Indianapolis, Louisville, and Cincinnati, our ten-county region includes Bartholomew, Clark, Decatur, Floyd, Harrison, Jackson, Jefferson, Jennings, Scott, and Washington counties and includes the communities of Charlestown, Columbus, Corydon, Greensburg, Jeffersonville, Madison, New Albany, North Vernon, Salem, Scottsburg, Sellersburg, Seymour, and the River Ridge Commerce Center.

Our ten-county region places you at the Crossroads of America with service to over 60% of the population of the country, which can easily be reached in one day's driving time.

By Air, Rail, and Water - Corporate travel and shipment of goods in South Central Indiana are well-served by three nearby international airports, five rail providers, and year-round ocean access via the Inland Waterway System at the Port of Indiana-Jeffersonville.

Check out our many benefits, well-trained workers, excellent industrial sites, small-town charm with big city amenities close at hand, and neighbors who will welcome you with open arms.

Our professionally staffed economic development organizations are ready to help you with all of your needs so you can make a positive decision to locate in our region.

TRANSPORTATION

Interstates – I-65, I-64, I-74, and I-265.

Highways – U.S. 50, U.S. 31, U.S. 150, U.S. 421, State Highways 135, 250, 62, 56, 46, and 7.

Rail – CSX, Norfolk-Southern, LIRC, CIND and other Class III Railroads.

Trucking – Over 100 freight lines regularly serve the area.

Air – International airports with major cargo hubs located in Louisville (UPS), Indianapolis (FedEx), and Cincinnati (DHL). General aviation services at Freeman Field-Seymour, Clark County Regional Airport in Jeffersonville, Columbus, Greensburg, North Vernon, Madison, and Salem Municipal Airports.

Port – Port of Indiana, Jeffersonville.

UTILITIES

Industrial sites and buildings throughout the 10 county region are served by utilities, providing users with low-cost electricity, gas, water and wastewater. Specific suppliers, as well as capacities and other pertinent utility information, are available from each county.

In addition, the region offers a variety of telecommunication service providers and options, including nationally known firms and area companies offering Internet connections available in speeds ranging from DSL/cable modem broadband to wireless and TI-OC3.
